HONEYWELL RECOGNIZES HIGH PERFORMING CHANNEL PARTNERS AT HONEYWELL USERS GROUP TECH TALKS CONFERENCE

*41 Channel Partners Honored for Excellence, Jiangsu XuRun M&E Technology Co., Ltd. awarded Channel Partner of the Year APAC, **Albertus Energy, Inc.** awarded Channel Partner of the Year Americas and MSE Management and Supplies for Electrical Equipment awarded Channel Partner of the Year EMEA*

June 22, 2021 – Honeywell (**NYSE:HON**) Process Solutions (HPS) this week unveiled its Channel Partner award winners, recognizing the performance of its top Channel Partners in the APAC, Americas and EMEA regions. The winners were announced during the Honeywell Users Group Tech Talks conference which kicked off yesterday where Honeywell virtually hosted over 850 channel partner delegates from more than 80 countries across the world.

Honeywell awarded 41 channel partners for their commercial excellence and delivering exceptional customer service while distributing and integrating the company's industrial automation solutions. Honorees surpassed their annual business goals by providing superior value to their customers.

Albertus Energy, Inc. headquartered in Pennsylvania, USA, received the **Honeywell Americas 2020 Channel Partner of the Year Award**. Jiangsu XuRun M&E Technology Co., Ltd. headquartered in China, received the Honeywell APAC 2020 Channel Partner of the Year Award. MSE Management and Supplies for Electrical Equipment headquartered in Qatar, received the Honeywell EMEA 2020 Channel Partner of the Year Award. **The Channel Partner of the Year Award is the highest honor given to a channel partner.**

“Our Channel Partners continue to deliver above market growth and are an expanding part of our growth strategy at Honeywell. I am pleased to see channels are a key consideration with every new product development. We are fortunate to have the best Channel Partners in the business to execute on our growth initiatives” said Lance Fuhr, Executive Sponsor HPS Channels. “Our customers rely on our Channel Partners to deliver

and support their automation requirements. Our partners are capitalizing on our rapidly growing portfolio of channel ready products and Remote and Autonomous Solutions. Customers are seeking information from their assets to achieve new levels of safety and productivity, and Honeywell and our Channel Partners are in an excellent position to provide this for them.”

Additional winners of the Honeywell Americas Channel Partner Awards include:

Honeywell Thermal Solutions

- Honeywell Line of Business Channel Partner of the Year, Americas – [Albertus Energy, Inc.](#)
